Course Description

The hospitality industry makes a significant contribution to the national and global economy. As such, the industry requires competent managerial staff who possess the required skills and knowledge for successful hospitality management.

Students achieving this qualification are competent to apply hospitality-specific frontline and management skills with specific focus on hospitality management.

Delivered as a distance learning programme, qualifying learners will through a combination of academic and work-integrated learning, acquire the necessary competencies required to fulfil roles in lower- or middle-management positions within the hospitality industry.

What does the programme cover

Students are required to complete eight modules. One of these modules includes 12 weeks of practical work experience in the hospitality industry. The course also covers the following subjects:

- Hospitality Today: An Introduction
- Managing Front Office Operations
- Managing Housekeeping Operations
- Supervision in the Hospitality Industry
- Planning & Control for Food & Beverage Operations
- Hospitality Facilities Management & Design
- Work-Integrated Learning
- Managing Beverage Operations
